

NOR-CAL WOODTURNERS

NOR-CAL WOODTURNERS inc. is a non-profit organization devoted to promotion of wood turning. We are a local chapter of the American Association of Woodturners (AAW).

COMMUNITY RELATIONS

The club conducts woodturning classes for students at Palmiter and Hickey Schools. Members coach the students one on one and the club provides all equipment and supplies.

Each year, Members make hundreds of wooden bowls for the EMPTY BOWLS fundraiser sponsored by Sacramento Area Food Bank.

Working with the Sacramento Tree Foundation, Nor-Cal Woodturners recycle local trees that would otherwise go to landfills into beautiful bowls vases and platters.

Professional demonstrations and workshops are scheduled throughout the year.

CLUB ACTIVITIES

Meetings are at 7 pm on the 4th Tuesday of the month

Location: Leo Palmiter High School

There is a Members Gallery where members show their latest turnings and talk about solving problems and overcoming difficulties they encountered in making the object.
